

Certainteed

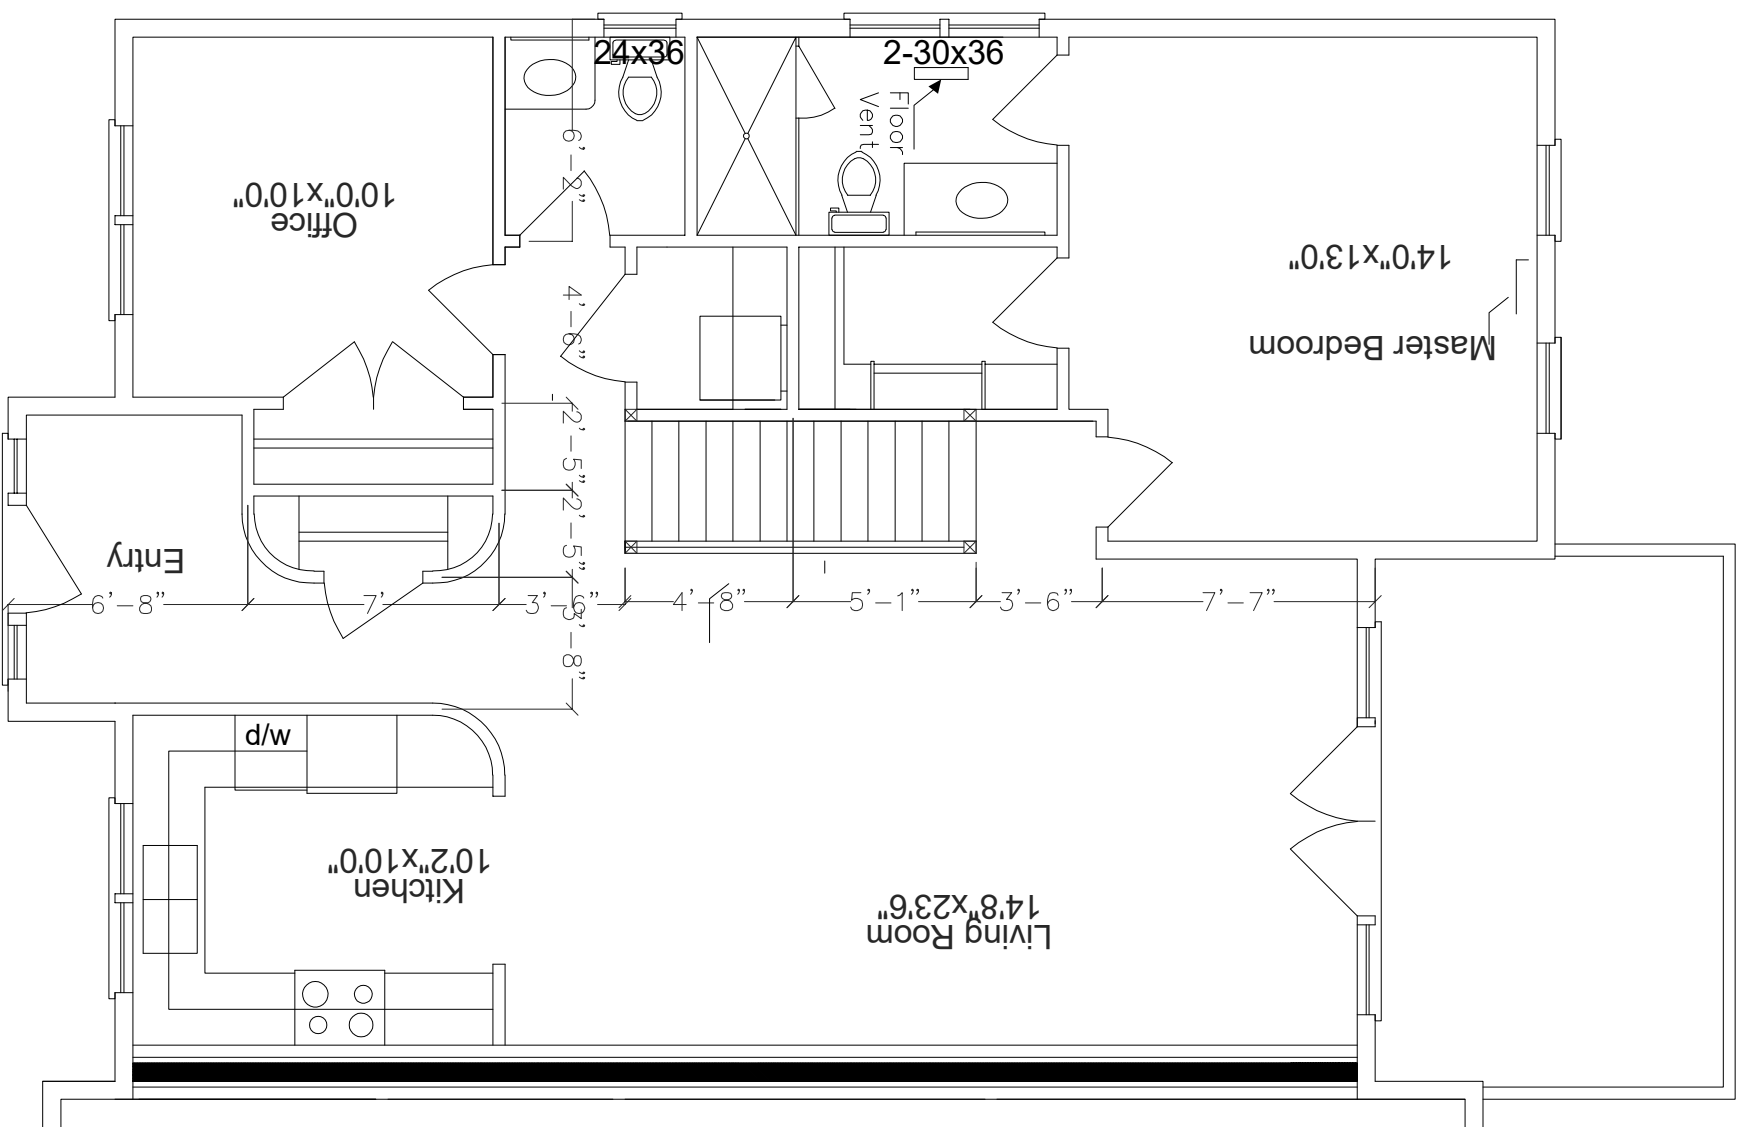

- Notes:**
- 1) Builder to check and verify all dimensions and report any discrepancies prior to construction commencement.
 - 2) All work to be completed in accordance with the current national building code of Canada.
 - 3) All Federal, provincial, and local ordinances, etc. shall be considered as part of the specifications for this building and shall take precedence over anything shown, described or implied if and where variances occur.
 - 4) All beams to be spec'd by engineer
 - 5) Wired in smoke detectors to be installed.
 - 6) All window sizes (width/depth) are frame sizes only, for 'rough opening' dimensions refer to manufacturer's specifications.
 - 7) Truss manufacture to check, verify and certify roof design prior to construction and supply truss layout plan.

Millers Landing - Phase One
Halifax County
